C. Changes to Initial Budgets
Office of Early Childhood and Student Services
4/1/21 – 3/31/23
$750,962
Total Proposed Revised Budget: $934,553
As a result of the CARES Act, Head Start has been awarded a supplemental grant for activities in response of COVID-19. This supplement contains funding for actions or activities to prevent, prepare for, and respond to COVID-19. Activities may include, but are not limited to, mental health supports for children and families, needed training for staff, cleaning and sanitizing costs directly related to COVID-19, and other related costs such as PPE, take-home materials for students, and/or technology needs (since 2020). This change is necessary due to additional funds for the American Rescue Plan.
2. **Early Intervention - School Age Program – Program 300**
   Office of Early Childhood and Student Services

Mandated by the Department of Education and contracted through a MAWA (Mutually Agreed Upon Written Agreement), this program serves preschool children identified with special education needs who are transitioning to placement in their respective districts. In the year prior to eligibility for school age placement, parents have the option to maintain placement for their child in the Early Intervention Program for an additional year. Educational costs for school age students who remain in the EI Program is the responsibility of the home district (since 1983). These changes are necessary to reflect year-end projections.

   **Total Proposed Revised Budget: $462,487**
