THE FOLLOWING TOOK PLACE PRIOR TO THE REGULAR BOARD MEETING, DURING COMMITTEE-OF-THE-WHOLE:

Beth Angstadt, Early Intervention Program Administrator, recognized Kimberly Hafer as Employee-of-the Month for April. Ms. Angstadt shared that Kimberly works at the Learning Center at the BCIU Education Centre as an Early Intervention Teacher. She has served at the BCIU since July 2004.

Kim has developed great rapport with her families as well as school district staff throughout her tenure. In her role, she “wears many hats.” Among various other responsibilities, she provides services within the community, leads a specialized group, mentors new staff, and supports various EI projects and caseloads that need assistance.

Kim is known for her positive attitude and will always offer to lend a hand to help a fellow colleague.

Kim thanked the Board and Administration, sharing that she has always enjoyed working with young children with disabilities and watching them grow. She told the group that the staff at BCIU EI are phenomenal – the best of the best! She enjoys collaborating with such knowledgeable and collaborative professionals, who encourage and challenge her to keep learning and growing.

Eric Clemmer, Assistant Director of Business Services / Operations, introduced Michael Hoffert as Employee-of-the Month for May. Mr. Clemmer shared that Mike has served in the buildings, grounds, and maintenance department for 18 years. He is held in high regard by all staff and has always been a leader in making sure that buildings are safe and maintained. He is very talented and knowledgeable, often quickly shifting his priorities as needed.

Mike remains positive at all times and exhibits a “can-do” attitude. Through the COVID-19 health emergency and closing and re-opening of buildings, he was able to use his varied talents to deliver solutions to meet needed safety and health requirements.

Mike thanked Mr. Clemmer, BCIU Administration, and the Board. He shared that he enjoys his work, saying no day is the same. He also values the relationships he has built, working with the staff throughout the organization at the BCIU.
Dr. Joy Polignano, Assistant Program Administrator in the Office of Early Childhood and Student Services / Early Intervention, attended the Board meeting to recognize Robin Gruber upon her retirement. Dr. Polignano shared that Robin has played an active role in the BCIU Early Intervention Program since May 1998 and is marking her 24th year of service. With expertise in serving preschool-age children with developmental delays and disabilities, she has been an integral member of the EI intake evaluation team as a specialized itinerant teacher. During her tenure, she has supported the development of critical relationships with community providers and partnering early intervention agencies to ensure a seamless and positive hand-off between programs.

Robin is held in high regard by her colleagues and in the eyes of the families she serves. She has always gone above and beyond to support her families, students, and colleagues, which is why she was nominated earlier in the year for the Annie Sullivan Award. As a mentor and friend to many, Robin is consistently looked to for advice, guidance, and insight among IU staff, including supervisors. She has always been the first to support activities within the program when help was needed, bringing energy, enthusiasm, and expertise to the table.

Yadja Wagner, Robin’s intake partner who she has worked alongside for several years, accompanied her to the BCIU Board meeting. Robin thanked her co-workers, the BCIU Administration, and the Board of Directors, saying that EI has always been her passion. She shared that she intends to spend more time with her children and three grandchildren in her retirement.

Ms. Julie Van Lear, Transportation Supervisor, attended the Board meeting to recognize Clarence Lash upon his retirement. Ms. Van Lear shared that Clarence has worked as a driver in the transportation department since August 2018. When asked about Clarence, his co-workers all said that Clarence is a humble, reliable, and diligent employee, who can be depended upon and is always on time. He will be missed by all.

Clarence was accompanied by his wife as he was honored for his service to the BCIU. He shared that he enjoyed his job and would have liked to remain working longer, but is retiring due to health reasons.

Prior to the Board meeting, Board members viewed video highlights of the 50th Anniversary Press Event held on April 21, along with testimonials and comments from staff and partners regarding experiences and hopes for the future.
