B. **Initial Budgets**

   1. **Safe Schools Targeted Grant – Program 23-179**
      Office of Professional Learning
      1/1/23 – 12/31/23
      The purpose of the Safe Schools Targeted Grant (Non-Public) is to assist school entities by providing funding for services related to security planning and/or purchasing of security-related technology. This is state funding provided by The Pennsylvania Department of Education’s Office for Safe Schools (since 2019).

   2. **Statewide System of Support Initiatives – Program 209**
      Office of Professional Learning
      7/1/22 – 6/30/23
      Funded with both State and Federal dollars, the Commonwealth of Pennsylvania has contracted with the BCIU to provide training and technical assistance for the facilitation and coordination of PDE initiatives: Additional Targeted School Improvement, Accelerated Learning, CDT Focus and Support, Data Governance, and STEM. This program has been in existence since October 2015.

      Office of Professional Learning
      1/1/23 – 12/31/23
      This program consists of funding for the administration and facilitation of OCDEL’s Early Head Start Home Visiting Program which serves 168 children and families in Lawrence, Lebanon, and Lancaster counties. Early Head Start programs provide family-centered services for low-income families tailored to the unique needs of infants and toddlers to promote their physical, cognitive, social, and emotional development. The funding supports contracted professional Nutrition, Health & Mental Health coaches, and portions of the EHS Manager, EHS Specialist, and other staff positions to administer the grant, along with appropriate travel and supplies. The Pennsylvania Key staff partners with Lancaster-Lebanon IU#13 and the Children’s Advocacy Center of Lawrence County and provides monitoring, assistance, training & oversight to give a full report to OCDEL’s Early Head Start Policy Council and Governing Body. Each year, we resubmit our plan for this grant, #03CH3474 on behalf of OCDEL. It is considered a non-competing application contingent on program compliance (since 2019).
